**Title I Questions for Parent Input on the Parent & Family Engagement**  
**Set – Aside Funds**

Our school is required to set aside a percentage of the Title I money we receive for parent and family engagement activities to actively engage parents in the academic achievement of their children. In the past, money has been spent to provide the school with a family engagement coordinator position and to fund the parent resource center. What are your suggestions for how Title I parent and family engagement money should be spent?
